Big Green Engages Generals After Scalping Spiders

Aroused Washington And Lee Gridmen Sparkling Line Play Helps Iron Indians Take Easy Victory At Richmond, 21-0 Collide With Braves In Big Six Finale

By Denis Smith Flat Hat Sports Writer

This week Coach Jackie Freeman's Iron Indians tackle an aroused Washington and Lee squad in a Big Six battle at Cary Field. The Indians and the Generals are both riding high as the result of last week's encounters. W&L, which has won only three games out of nine, downed the University of Virginia Saturday by a 27-13 count.

The Generals' attack is ably directed by their 165-pound quarterback, Joe Lindsey. Lindsey is playing his last game next week and will undoubtedly be a thorn in the Indians' side. The senior

By Dave Heinrich Flat Hat Sports Writer

The Richmond Spiders, who have been weaving a web to catch the Iron Indians all season, evidentally got entangled in it themselves as they fumbled five times to lose, 21-0.

Before the game was five minutes old, the Tribe had themselves a touchdown and were on their way to a second when an intercepted pass halted the drive and prevented what well may have been an unexpected rout.

In the third quarter a 60-yard inches tall and weighs 210 pounds. drive netted the Indians' second touchdown and a pass interception by Bob Elzey in the winning mo-

For the first time this year, Jerry Sazio was called on to kick the extra point and Jarring Jerry put the ball through the uprights for a 7-0 lead.

More Fumbling

It seemed that the Spiders, if they had any desire to win, wanted to do it the hard way because they fumbled the next time they got the ball and it seemed as if the Indians were on their way again as Billy Martin carried to the 16. But a Sumner pass was intercepted by the tight Richmond pass defense, and the threat went by the boards.

covered fumble and ended when to behold. Richmond's Ralph Scarpo fumbled The other play was a runback to make the final score read 21-0.

Long Drive

A long Indian drive in the midto punt deep in their own terri- dle of the third quarter set up tory, Chet Waksmunski came the second Indian score. A ten charging up field and literally yard run by Herrmann and a 12 yard Sumner to Elzey pass brought the ball to the Richmond six.

Bowman then electrified the crowd with a leap over the entire Spider forward wall for a first down on the three. Two more thrusts at the line by the Emporia Express produced the marker.

Hines Converts

Since it was the waning moments of the quarter when Bowman went over, Quinby Hines came off the bench and booted his first of two extra points.

Early in the fourth quarter, the Big Green recovered a fumble deep in Richmond territory but the drive stalled on the two yard line. The Spiders tried frantically to get some sort of desperation drive started throughout the fourth quarter but the rugged Indian line, obviously well-coached by Neepie Miller, could not be budged.

Miller, by the way, was taken sick on Monday morning and rushed to the local hospital, where his illness was diagnosed as an appendicitis. However, he is getting along fine, and is expected to recover quickly.

After Elzey had intercepted a pass late in the fourth quarter the Indians moved to the four This was easily the outstanding where a Spider offside penalty ed over. Hines again converted

other than the usual assortment captain Steve Milkovich sat out the entire game with a leg injury.

Outstanding in the Tribe offense were Herrmann, Billy Martin and Joe Rossi suffered from stomach Bowman. The linemen all play-

ed well with Waksmunski, Sazio, Marfizo and George Parozzo leading the way.

Throughout the afternoon it was apparent that the Spiders were stopping Sumner on the option play but they were unable to stop Bowman or the hard running Tribe halfbacks and that told the story.

Student Tickets

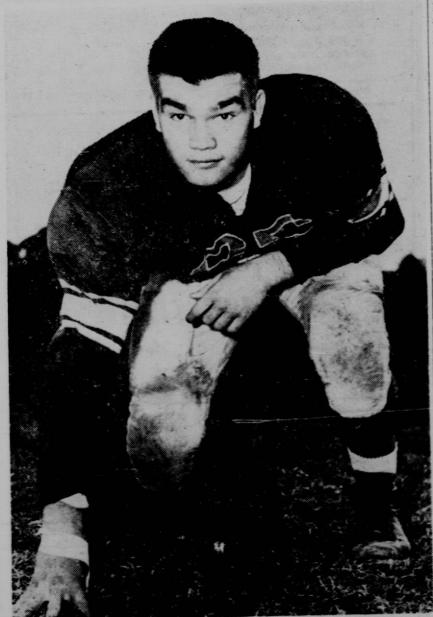

Student tickets for the Washington and Lee game may b secured now at the gym. All students should note that the starting time for this game and for the Boston University encounter next week has b moved up to 1:30.

This week's Indian Of The Week award goes to Chet Waksmunski for his terrific line play against the University of Richmond. Waxy was in on almost every tackle throughout the game. It seemed as if he was all over the field. One play he would be making a tackle on the left side of the line and the next play he would be on the

His outstanding defensive play was when he raced down under a punt and stole the ball from a startled Ed Thacker. Waksmunski's offensive play showed improvement as he threw several key blocks, one of which set up Billy Martin's 19-yard run which led to the

Indians' first score. The 18-year-old Waksmunski is the youngest member of the team. He is six feet tall and weighs 195 pounds. A sophomore member of Sigma Nu, he is a mathematics major.

Honorable mentions go to Billy Martin for his fine play both offensively and defensively. Bill Bowman, for his usual fine game, and Jerry Sazio who returned to the wars with a blaze of glory and scored his first collegiate point with a touchdown conversion.

Appear Promising

The freshman team, which quickly rounding into shape, is spotted with some of the top prospective talent seen on the Reservation in recent years.

The 11-man roster includes Walt Knick, Charley Morrow, Fred Weinman, Dick Calvert, Ed Schafer, Del Wilson, Don Engleeken, Jim Bowen, Jim Kaplan, Bill Ouseley, and Harrison Warren.

Harris and Assistant Coach Rhea Lazurus have been putting the team through daily drills as well as inter-squad games and scrimmages with the varsity team.

Although the frosh schedule is not completed, other games will include clashes with the Richmond and VMI freshmen, the Naval Air Station and Chesapeake Athletic Club, both of Norfolk.

Freshman Coach Jerry Harris, working with an 11-man squad, is trying to whip together a classy frosh five for the season's lidlifter in two weeks. The Papooses campaign opens on December 4 with the Norfolk Division furnishing the opposition on their home court.

Sazio Regains Form As Most Feared Member Of Powerful Big Green Line

By Dick Rowlett Flat Hat Sports Writer

Jerry Sazio sadly surveyed the wreckage of his room after the Taliaferro "Bridge Club" had finished the evening's play and it was some time before his thoughts returned to the matter at handfootball.

He chatted amicably about this matter in the far corner of his room, while "Montana Bill" Freehauf and Gaylord Fitzhugh took turns "complimenting" George Parozzo. The silence was unbearable.

Most Feared

Jerry is probably the most feared of all the Big Green linemen. He moves his 205 pounds with the force of a locomotive from the right linebacker position. On offense his presence in the starting line-up can be discerned only by the gapping holes through which pass the likes of Sumner, Bowman and Company.

At Richmond's Homecoming last Saturday one of the floats, which by the way is the only department in which the Spiders hold the edge over William and Mary, depicted four dead Indians. Of these four Sazio was the only lineman.

A hard-hitting Navy blocker removed Jerry from competition early in the second quarter of that game and last Saturday's victory at Richmond was only the second contest all year that he has seen considerable first string duty in. The injured knee gave him no trouble and appears to be as good as new. Sazio insists it is.

Sazio matriculated at William and Mary after the 1949 season at Columbia High School in South Orange, New Jersey.

Followed Tracks

Jerry followed the tracks of his brother, Ralph, who captained the first post-war addition of the Big year's edition of the Tribe gridiron Green in 1946. In 1951, his sophomore year, Jerry was chosen on the second team All-Southern de- he replied that "although small in fensive club.

WOMEN'S WILES

By Helen Male

Flat Hat Woman's Sports Editor

With the final games of the intramural hockey tournament completed, the winners of League A and League B were announced as Ludwell Red and Ludwell Blue, respectively. On Thursday, November 12, the two teams combined forces to battle the J.V. hockey team.

The Jayvees, the best in the past several years according to Miss Barrand, their coach, dominated the play throughout the entire game, which resulted in a 4-0 victory for them. Although the score does not indicate it, Ludwell improved greatly during the second half.

Carla Hubbard's sparkling defense and Jan Charbonnet's steady improvement in the position of goalie prevented any further scoring by the Jayvees. Two of the reasons why Ludwell did not score were Sue Whaley and Dolores Mannion, who did not let many balls get in

Due credit goes to Bobbie Limont of the Jayvee squad, who scored three of their goals, and to Sue Pope, who brought the final tally to four.

The varsity team also played over the weekend against Richmond. In a well-played, well-fought battle, the Squaws emerged 4-1 winners in their last game of the season. A match with the Jayvee squad is scheduled for this week, although that does not fall under the regularly planned games.

Congratulations to Shirley Haabestad who was recently elected to the All-State Hockey Team. Last weekend, she travelled to Baltimore where she participated in the Southeast Hockey Tournament.

Now that hockey is fading out of the picture for another year, basketball is taking its place in the spotlight. Names of those girls interested in taking part in the intramural games should be in to Miss Scott by Tuesday, November 24.

Each organization may enter three teams with a minimum of nine players. The dormitories and scrorities are also being asked to include referees, umpires, timers and scorers when possible. Classes will be held this year for those taking part in the officiating part of

Miss Barksdale announced that varsity basketball will begin having practices this week for any girlls who wish to do so. Because of Rush Week these practices will not be compulsory until the follow-

The women's varsity hockey team defeated Notre Dame of Baltimore last Saturday afternoon by a score of 4-1 in a game played by William and Mary without Shirley Haabested, cap.ain and center half. Shirley was selected for the All-Virginia State Reserve Hockey team, and at the time of the game was playing at Baltimore in the Southeastern Tournament.

The William and Mary Squaws, showing a good team spirit, possibly brought on by a pre-game telegram from Shirley, were on the offense almost entirely in the first half. Mac Rodriguez made the first goal, followed by a set-up shot of Sally Dahm's that enabled Carol Kent to score. Sally then scored the third goal on her own.

The Notre Dame team only threatened once in the first half but this goal threat was saved by the Squaw fullbacks and a nice hit out by Harriet Bipple, goalie for W&M.

The second half showed an increase of spirit and attack on the part of the Baltimore team. Their center forward made the only goal for them. Rodriguez came through again to score the fourth out this Saturday" was the only goal for the William and Mary team, making the final score 4-1.

A dandy time was had by all the women hockey players two weekends ago, when the girls sallied off for a State Tourney at Richmond. Before they knew what was coming off, however, they were engulfed by a snowstorm, and the matches had to be called off

Nevertheless the girls managed to live it up. They spent Friday night in a hotel, played parlor games and then went to see The Robe. On Saturday afternoon they were invited to a tea, and although they never did get around to playing any hockey, all agreed that they had
